January 2018

Kaleideum Adventures — A special thing happens at **2 pm on Saturdays** — an adventure expert arrives with a challenge for visitors. Help the Botanist count the beans on the Beanstalk, solve a mystery with the Amazing Librarian, or help a Chef create a confectionary masterpiece in the Doughnut Factory!

Kids Rock Music — Join us for live music, age-appropriate instruments, and interactive movement! Kids Rock Music brings the joy of musical expression to children and families. Learn more at kidsrocktriad.com.

Music & Movement — Come move and groove through songs, fingerplays, and a read aloud. Your child will gain meaningful skills to build their language, listening, and physical abilities.

Story Dance: *Waiting* — Edge Performing Arts in Winston-Salem is proud to present Story Dance, an exciting and thoroughly engaging program of reading and movement. Join us as we discover the joy of patience and the beauty of everyday life in *Waiting*, a Caldecott Honor and Geisel Honor book, by author Kevin Henkes. Participants will learn some basic ballet movements and use these steps to help choreograph a dance to illustrate the book. A perfect introduction to dance and a fun way to incorporate movement into literacy. For all young readers! For more information, visit Edgeperformingarts.net, or contact NCedgeperformingarts@gmail.com.

Angel Bear Yoga: *Arctic Adventure* — Join Angel Bear on a trip to the Arctic! We'll bring the book *The Animals Who Changed Their Colors* to life, while exploring what makes us all unique and special. Come ready to do boat pose and whale pose as we travel on our adventure! Meet a special furry friend, too!

Peppercorn Theatre Songs and Stories — Teaching Artists share songs, stories, and activities designed for babies, toddlers, and their caregivers to play and grow together. Enjoy live music, hands-on props, and puppets with these storytellers! These classes repeat (changing with the seasons) so you and your child can learn the songs and sing at home!

Sensory Friendly Monday — Children with autism spectrum disorder (ASD) and sensory processing differences are invited to have a fun, enjoyable, and interactive learning experience in a comfortable and accepting environment! At the Museum, learning can be verbal or non-verbal; hands-on or hands-off; fast or slow; social or solitary; loud or quiet; directed or inquiry-based. Sensory Friendly Mondays are offered one day per month, September through May, on Members-only Mondays (9 am–noon) when Museum attendance is light. You do not need to be a member in order to attend, but admission or membership is required. Learn more at downtown.kaleideum.org/visit/accessibility/.

Countdown to Kindergarten — Representatives from the Winston-Salem/Forsyth County School system along with community partners will help families of rising Kindergarten students navigate the process of registering their child for school. Children can enjoy the Museum exhibits, make a special craft, meet Ready Freddy, board a school bus, and go through a practice lunch line featuring healthy snacks. Families will discover fun activities and community resources that will help them support their young children as they prepare for school.

Countdown to Kindergarten is being presented as a **Pay What You Can** program. We want to ensure that every child and family can attend. Please consider making a donation of admission - at any level. Eliminating cost barriers means the Museum has a greater capacity to reach more families, engage more children in playful learning, and support more caregivers.
Inclement weather date: Thursday, January 18, 2017 • 4–8 pm

Show and Tell Storytime — New for 2018! Each storytime will feature a new letter of the alphabet. By the end of the year, we'll have learned all 26. Enjoy a special storytime with songs and activities. Children are welcome to bring something special from home that begins with the letter of the day.

January in The Prop Shop

MAKE & TAKE: Frozen Making — Paint with ice cubes, shave ice to make snow, and watch how salt affects frozen water! It's an ice adventure.

PLAY & STAY: Winter Winds — Use fans, fabric, and your imagination to turn *The Prop Shop* into a blizzard!

Celebrating Culture, Character & Confucius

January 27–April 23, 2018

Take an overseas adventure without leaving your hometown when Kaleideum Downtown hosts *Children's China: Celebrating Culture, Character, and Confucius*. This interactive exhibit, designed for children 3 to 12 years old, explores what life is like for children in China today through six different immersive environments.

Children's China is part of the Freeman Foundation Asian Culture Exhibit Series, funded by The Freeman Foundation and administered by the Association of Children's Museums. Created by The Magic House in partnership with the Confucius Institute at Webster University and Character Plus, Children's China is a nationally traveling exhibit designed to increase understanding of the Chinese culture.

**January 27
Children's China Grand Opening Event
10:30 am–12 pm**

Join *Friends of Peppercorn*, Winston-Salem Symphony, as we explore the Sounds of China. A short presentation of an exciting children's book, *Summoning the Phoenix* by Emily Jiang, explores poems and prose about Chinese musical instruments. Afterwards, discover the Sounds of China by interacting with our Instrument Petting Zoo, giving both children and adults the opportunity to see and hear the different instruments of the Chinese orchestra, as well as the traditional Western orchestra – up close and personal! Special thanks to Wake Forest University Music Department and the Chinese Instrument Ensemble.
