For program descriptions, see the back of this calendar!

May 2018

Preschool Discovery — An action-packed program including stories, music, movement, and more!

Kids Rock Music — Join us for live music, age-appropriate instruments, and interactive movement! Kids Rock Music brings the joy of musical expression to children and families. Learn more at kidsrocktriad.com.

Parents' Night Out — Have a date night while the kids (ages 4-11) enjoy a pizza dinner, exhibit exploration time, special activities, and an age-appropriate movie. Members: \$20/first child; \$15/each additional sibling. Non-members: \$25/first child; \$20/each additional sibling. Pre-registration with payment required no later than May 4. Register at kaleideum.org.

Show and Tell Storytime — Each storytime will feature a new letter of the alphabet. By the end of the year, we'll have learned all 26. Enjoy a special storytime with songs and activities. Children are welcome to bring something special from home that begins with the letter of the day.

Peppercorn Theatre Songs and Stories — Teaching Artists share songs, stories, and activities designed for babies, toddlers, and their caregivers to play and grow together. Enjoy live music, hands-on props, and puppets with these storytellers! These classes repeat (changing with the seasons) so you and your child can learn the songs and sing at home!

Small Fry Friday — Enjoy storytime and make a craft.

Little Tykes — This program focuses specifically on the developmental skills and interests of young children, age 2 years old! Children and their caregivers will engage one-on-one through songs, stories, creating crafts, and special activities. Discover the magic of playing and learning together! Registration available at the Welcome Desk or by contacting Sarah Evans at (336) 723-9111 x208. Day-of registration is also available beginning 15 minutes before the start of each program but space is limited—\$8/class for member child (one free adult), \$10/class for non-member child (one free adult, Kaleideum Downtown admission included.)

Edge Performing Arts presents Swanhilda in Dr. Coppelius' Workshop — Edge Performing Arts is proud to present Swanhilda in Dr. Coppelius' Workshop (excerpts from *Coppelia*)! Enjoy lively music, delightful dancing, and beautiful costume! Join the students of EPA, ages 7-17, as they jump, leap, and twirl while dancing an exciting mazurka and a grand waltz. Watch them transform into magical dolls who spring to life to perform wonderful tricks. This 20-minute adaptation of the classical ballet Coppelia is an entertaining and fun introduction to ballet - perfect for children and adults alike! After the performance, audience members will have the opportunity to meet the dancers, take pictures, get autographs, and perhaps even try out a few steps!
For more information, contact NCEdgePerformingArts@gmail.com.

Sensory Friendly Monday — Children with autism spectrum disorder (ASD) and sensory processing differences are invited to have a fun, enjoyable, and interactive learning experience in a comfortable and accepting environment! At the Museum, learning can be verbal or non-verbal; hands-on or hands-off; fast or slow; social or solitary; loud or quiet; directed or inquiry-based. Sensory Friendly Mondays are offered one day per month, September through May, on Members-only Mondays (9 am-noon) when Museum attendance is light. You do not need to be a member in order to attend, but admission or membership is required. Learn more at downtown.kaleideum.org/visit/accessibility/.

Angel Bear Yoga: Spring Flower Adventure! — Enjoy the flowers of spring! We'll read *Miss Rumphius* and learn how to see the beauty all around us. Learn tree pose, flower pose, and beauty pose. A special animal friend will visit, too!

Monster Monday! — Join us for storytimes, crafts, and monster-making in *The Prop Shop*.

May in The Prop Shop

This May in *The Prop Shop*, we are exploring a common but useful material: PAPER! Join us as we fold, tear, roll, and create 3D paper masterpieces! At the end of the month, we'll use all the scraps to make our own recycled paper!

MAKE & TAKE: Derby Day Paper Hat Making — We're celebrating Derby Day in *The Prop Shop*! Make your own fabulous floral hat to celebrate the big race!

STAY & PLAY: Paper Crafts Experiments — How do you make a banner? Can you make your own piñata? Join us as we experiment with all the decorations and props we can make out of paper!

MAKE & TAKE: Paper Pirates! — Some pirates have invaded *The Prop Shop* and want us to join their crew! Disguise yourself as one of the shipmates by making a paper pirate hat, paper spyglass, or even a paper peg leg!

STAY & PLAY: Making Paper — Let's turn all of the scrap paper from our May experiments into something new! Using water, a mixer, and lots of small scraps, we're going to create our own paper!

Toy Time

Toy Time Opens May 24

Take a trip back in time...
Toy Time at Kaleideum Downtown! There were no cell phones or video games, and batteries were never included! Engage and delight in tumbling, sliding, rocking, spinning, dancing, and flying folk toys that demonstrate the effects of gravity, inertia, rhythm, harmonic motion, and mechanics.

Registration is open for summer camp!
