Toy Time Exhibit

Open through January 2, 2019

Travel back in time ... back to when there were no cell phones or video games, and batteries were never included! Engage with delightful tumbling, sliding, rocking, spinning, dancing, and flying folk toys that demonstrate the effects of gravity, inertia, rhythm, harmonic motion, and mechanics.

December in *The Studio*

Help us transform *The Studio* into a child-sized gingerbread village using cardboard and a variety of colorful, fun, and changing materials!

Show and Tell Storytime

Tues, Dec 4; Fri, Dec 7; Tues, Dec 18; and Fri, Dec 21 • 11 am

Each storytime of songs and activities features a new letter. By the end of the year, we'll have learned all 26! Children may bring something special from home that begins with the letter of the day.

We'll have fun celebrating a special color through stories, songs, and activities!

Angel Bear Yoga: *Celebrate the Season*

Drop-in Gingerbread House Workshop

Make and take a mini gingerbread house for \$6.50 (+tax) while supplies last! Build your creation with a milk carton, graham crackers, icing, and a variety of sweet treats! (Museum admission not included, but required.)

Peppercorn Theatre Songs and Stories

Thursday, December 13 • 9:30 am

Teaching Artists share songs, stories, and activities designed for babies, toddlers, and their caregivers to play and grow together. We will have live music, hands-on props, and puppets. Classes repeat (changing with the seasons), so you and your child can learn the songs and sing at home!

An action-packed program of stories, music, movement, and more!

Sensory Friendly Monday

Monday, December 17 • 9 am-Noon

Children with autism spectrum disorder and sensory processing differences are invited to have a fun and interactive learning experience in a comfortable, accepting environment! Sensory Friendly Mondays are offered one day per month, September through May, on Members-Only Mondays (9 am-Noon) when Museum attendance is usually light. You do not have to be a member in order to attend, but membership or paid admission is required. Modifications include choiceboards and a designated quiet room. Learn more at downtown.kaleideum.org/visit/accessibility/.
