# February 2019

## Engineer It! Exhibit

Explore the *Design-Test-Build* cycle through hands-on experiments. Discover DaVinci's interlocking bridge, experiment with the Marble Run Station, build with Giant Blue Blocks, and more!

## Homeschool/Small Group Day: *Weather Wonders*

**Tuesday, February 5 • 1 pm**

Home-educated children in grades K-5 will explore how weather patterns form, create a cloud in a jar, and examine weather-measuring instruments used by meteorologists. Pre-registration required and group admission rates apply. Limited to 20 students. Register at [north.kaleideum.org](http://north.kaleideum.org).

## Meet the Dentist Day

**Saturday, February 9 • 10:30 am-1:30 pm**

Our friends from Spangler, Rohlfing, & Lambert Pediatric Dentistry will introduce children to proper oral hygiene, discuss foods that keep teeth and gums healthy, and demonstrate the tools that dentists and hygienists use to examine and clean teeth. This is a wonderful opportunity for kids to climb into a real dentist chair, brush and floss a giant mouth, and have lots of fun learning about their teeth!

## Parents' Night Out

**Saturday, February 16 • 5:30-9:30 pm**

It's a "Melt Your Heart" Party! Parents can have a post-Valentine's date night while the kids

# Parents' Night Out

(ages 4-11) have fun at Kaleideum with pizza, some fun holiday-themed experiments and crafts, exhibit exploration time, and an age-appropriate movie. Kaleideum Members: \$20 (+tax) for first child; \$15 (+tax) for each additional sibling. Non-members: \$25 (+tax) for first child; \$20 (+tax) for each additional sibling. Space is limited, so pre-register early (and no later than Noon on February 16).

## PIPP Squeaks Preschool Science: *All About the Heart!*

**Tuesday, February 19 • 10-11:30 am**

For children ages 2-4 with an adult caregiver. In February, we draw hearts and hand out Valentine treats, but how much do we know about the organ that keeps us alive? Participate in science demonstrations about the heart, learn about the properties of blood, and make crafts about the human body. Members: \$8 per adult/child pair; non-members: \$10 per adult/child pair (includes Museum admission). Register at [north.kaleideum.org](http://north.kaleideum.org).

## \$3 Thursday

**Thursday, February 21 • 3-8 pm**

Both Kaleideum locations are open until 8 pm, and, beginning at 3 pm, admission is only \$3 (+tax) per person (and free for Kaleideum Members).

## Catapult Making

**Wednesday, February 27 • 2-4 pm**

Do you know what makes a catapult work? What kinds of things can you send flying into the air? Find your inner engineer and make a catapult of your very own!

## Saturday Planetarium Schedule

11 am—Live Sky Tour

Noon—Young Astronomers

2 pm—Musical Stars

3 pm—Space! Live

4 pm—Musical Laser Show

For show descriptions and astronomy resources, visit [north.kaleideum.org/visit/exhibits/planetarium/](http://north.kaleideum.org/visit/exhibits/planetarium/).

## Upcoming in March 2019:

### Brain Awareness Day

**Wednesday, March 6 • 9 am-Noon**

Students will visit interactive stations throughout Kaleideum North—hosted by Wake Forest University's Brain Council—to learn about neurons, anatomy, memory, and other functions of the brain. Co-sponsored by the Western NC Chapter of the Society for Neuroscience.

### Family Safari Night

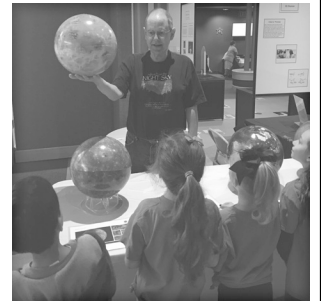

**Saturday, March 16 • 6-8 pm**

Let's go wild as we trek through the animal kingdom! Meet critters with fur, feathers, and scales; create animal-themed crafts; play wild animal BINGO; and more. Fee includes pizza dinner. Tickets are \$10 (+tax) per Member; \$12 (+tax) per non-member. Pre-Registration required for children and adults at [north.kaleideum.org](http://north.kaleideum.org). Space is limited!

### Sci-Fi Sunday

**Sunday, March 24 • 1-5 pm**

Celebrate space exploration and science fiction! Learn about recent NASA expeditions, explore space-themed crafts and demonstrations, and encounter some interstellar characters! Costumes encouraged!

## Save the Date: Kaleidoscope Ball

**Friday, May 10, 2019**
