Camp Kaleideum Information

Snacks and Lunch

Campers should bring a snack, lunch, and a drink. Both Museums will provide lunch on Fridays: Kaleideum Downtown offers Jimmy John's sandwiches and Kaleideum North offers pizza.

Camper Clothing

Please send your child in clothing that is comfortable for indoor and outdoor, hands-on, messy activities. Close-toed shoes with socks are preferred. Please, **NO flip-flops.** **HALF-DAY CAMPERS:** Just in case, on the first day of camp, please send a labeled bag with an extra set of clothing for your child. If they don't need that change of clothes, we will send the outfit back on Friday. Campers need to have independent bathroom skills.

Before- and After-Care

For campers attending camps at **Kaleideum North**, supervised Before-Care is available for all ages beginning at 8 am (\$5 per day per child).

Supervised After-Care is available at **Kaleideum Downtown** and **Kaleideum North** for **full-day** campers from 4-5:30 pm (\$5 per day per child).

Single-Day Option

Can't come for a whole week? Kaleideum offers single-day options for many of its camps. Single-day registration is not available online.

Registration, Payments, and Cancellations

Pre-registration is required. All payments are due in full upon registration. **Registration is available online**, with payment accepted via MasterCard, Visa, American Express, and Discover.

For a full refund, you must cancel at least two weeks before the first day of the camp for which your child is registered. No refunds can be given after this date.

June 10-14

Romp, Stomp & Roar

Do you love animals of any kind, from any millennium? From dinosaurs to dogs, we'll learn about animals from the jungle, the farm, the zoo, the North Pole, the desert, and our own backyard! Meet some real animals and even romp, stomp, and roar like your favorite critters!

June 17-21

Twirling in Tutus

Dancers of all levels are invited to dance the week away! Be ready to spin like Angelina Ballerina or dance a royal waltz like Sofia the First. We'll design our own tutus and ballerina outfits for our Friday performance for family and friends!

Puppet Makers with Kaleideum's Peppercorn Theatre*

Paper + fabric + string + glue = puppets that could only be thought of by you! This week we'll create finger puppets, sock puppets, spoon puppets, and more to invite creativity and play into every day!

Only at Kaleideum!

June 24-28

Jump & Move

Jump, swing, skip, and tumble in this camp for kids who love to move! This week will include relay games, yoga, hula hooping, obstacle courses, and dancing. Come exercise your body and mind with us!

Superhero Boot Camp

Be sure your sneakers are tied tightly this week ... and be ready for some action! We'll create our own superhero identity, build and run obstacle courses, design our superhero armor, and train to be the best heroes and heroines in North Carolina. Pose for your action shot!

July 8-12

Dig Down & Build Up

Are you ready to get dirty? We'll get down in the dirt and sand this week to learn more about what's underneath our feet — mud, worms, bugs, etc. — before we move in the other direction and build up above the ground: houses, cities, and skyscrapers. What kind of structure will you design?

Build It!

Design and engineer buildings and structures of all sizes from every material imaginable! Learn how to build a structure from the ground up and ways to keep it standing through the tests of time and weather. With stories to inspire us and a variety of materials to work with, we'll build a city full of our own architecture!

July 15-19

Strum, Drum & Hum

Calling all singers, musicians, drummers, and kazoo players extraordinaire! Make some noise while we build instruments, lay down some beats, discover new music, and sing silly songs. Guest musicians will visit, too!

Rhythm & Rhymes

Join us for a week of exploring music and rhythm, and how it interacts with our daily lives! We'll sing, play instruments, compose our own songs, and experiment with different types of music. Guest musicians will visit, too!

July 22-26

Bubble Trouble

Can you blow a square bubble? Can you create a bubble so large that you're able to stand inside? Find out this and more as we measure out the perfect bubble solution, engineer our very own bubble wands, and create slithery bubble creatures and other soapy formations!

Art-venture

It's hands-on and minds-on during this art adventure! We'll paint, sculpt, and experiment with different tools and techniques to bring our imaginations to life. With a paint brush in hand and a palette of creativity, campers will flourish while producing masterpieces of their own!

July 29-Aug 2

Celebrate the Seasons

Winter, spring, summer, and fall — which is your favorite season of all? Through stories, activities, and crafts we'll explore why seasons change and discover different cycles throughout the year.

Kaleideum Downtown Arcade*

We'll spend the week using real tools, a variety of supplies, and our imaginations to create cardboard arcade games — then invite our friends, family, and museum guests to play them! Pinball anyone?

Meteorology Madness

Are you fascinated by hail, hurricanes, blizzards, and bolts of lightning? We'll take a storm chasing adventure that is guaranteed to get young scientists excited. We'll explore nature's super forces and weather wonders during this journey into Meteorology Madness!

It's Slime Time!

Get ready for sticky, stretchy, messy fun as we experiment with different slime recipes and explore slime in nature.

July 15-19

Nature Explorers

Venture into the wild and wonderful outdoors at Kaleideum North! Campers will enhance their perspectives on nature through outdoor exploration, gardening, sensory strolls, animal encounters, observing insects, creating art from natural materials, and more!

No Prob-llama

If you are ready to learn about how you can help save endangered animals, then meet me at Kaleideum North! Alpaca my bags, too, and we'll explore this, that, and the otter. From mountain gorillas to Siamese crocodiles, we'll get the scoop on these amazing animals.

July 22-26

Blast from the Past

Hop into our time machine as we blast off to the past and come back to the future! We'll begin with knights and end up all the way to NASA and beyond.

Time Travelers

Let's build a time machine and go on an adventure from the past to the present. From Renaissance painters to Edison, Tesla, and discoveries beyond Earth, we'll uncover all the advances in art and science through time and space.

July 29-Aug 2

Fizz, Bang, Pop!

Measure and mix things up with us this summer! Experiment with color change, make raisins dance, measure ingredients, and test chemical reactions while making fizzy brews and rubbery gloop.

Potion Commotion

We'll learn about the wonders of chemistry and transform materials before our very eyes! Explore the properties of matter, including color change, thermal reactions, and even an explosion or two! BOOM!

Monster Mania

RAHHRRR!! GRRROWL!!
Grrr? What sound would you make if you were a monster? Create your own monster identity with us this week, and practice some monster moves. We'll even make a few mini-monsters of our own invention!

Frankenstein's Lab

Hear Mary Shelley's tale of a monster, then create your very own frightening (or silly!) frankentoy, monster mask, scribble bot creature, and more!

Aug 12-16

Petite Palettes

Calling all young painters! Experiment with different kinds of paints and techniques, as well as the messiest of art supplies, to create stunning works of art. Make some room on the refrigerator!

Design It! *

Hands-on experiences invite campers to tell stories by making and building. Screen print posters, build automata, make unusual creatures from bottle caps, and create a marionette!

Aug 19-23

Up, Up & Away

How do you get from here to there? A bus, a car, a trolley, a train, a plane, a hot air balloon — maybe even a rocket! Drive into the world of transportation and head home with new ideas about motion, as well as a few vehicles of your own!

Let's Get Glowin'

Explore things that glow in the dark and design colorful crafts and wearables that radiate and shine! We'll experiment with our own rainbow creations, investigate the vibrant world of illumination, and throw a glow-in-the-dark dance party on Friday afternoon. Campers: Prepare to get glowin'!

* Camp is not available for pay-by-the-day.

Space Rangers

Spend the week on an intergalactic journey! We'll travel to the stars and back again to learn more about our solar system and create projects and costumes akin to our favorite characters from distant galaxies and alternate universes. Challenge yourself in an outer space obstacle course, practice your light saber skills, hunt for moon rocks, and more. May the Force be with you!

Paper Costume Design with Kaleideum's Peppercorn Theatre*

Young makers will experience the design process and turn images from their imagination into their own paper costumes, wigs, and backdrop – setting the scene for a professional photo shoot on Friday!

Only at Kaleideum!

Aug 12-16

Simple Machines*

Experiment with levers, pulleys, wheels, and more! Campers will explore everyday simple machines and build some of their own. We'll even add a bit of storytelling to our week when we build Rube Goldberg machines!

Complex Creations*

Do you love to take things apart to see how they work? Campers will trace complex inventions back to their ancient roots! Learn how there would be no moon landing without the invention of the knife or how there would be no skyscrapers without the invention of the seesaw! Put on your hard hat and explore how simple machines lead to complex creations!

Aug 19-23

Pony Express

Calling all cowboys and cowgirls. We're taking a trip to the Wild West! From tumbleweeds to trains, we'll explore the science behind our favorite western topics. Pan for gold, build a train, and bring the Wild West to life.

Wild West

From the geology of the badlands to the physics behind the great locomotive engines, we're going to ride into the science of some of the great western topics. So, throw on your western gear because we're going to round 'em up and head 'em off at the pass.
