Moonstruck Summer

July 20, 2019 marks the 50th anniversary of the first humans landing on the Moon as part of NASA's Apollo 11 lunar mission. To celebrate, we're having a *Moonstruck Summer* at Kaleideum! Starting on May 25, look for moon-related activities at both locations through Labor Day!

Day Camp: "Destination Earth"

Wednesday, May 1 • 9 am-4 pm

Explorers in grades K-5 ... pack your bags and prepare for a journey through Earth, from its atmosphere to its molten core! Become a nature explorer as you take a walk on the wild side of science, dig deep to discover why geology "rocks," and learn ways to protect our planet through conservation and recycling. \$40 for Kaleideum members; \$45 for non-members. Register at north.kaleideum.org.

Geometric Bubble Event

Saturday, May 4 • 10 am-1 pm

The 2019 National Math Festival is Saturday, May 4 in Washington D.C., and in its honor Kaleideum is hosting a Geometric Bubble Event to inspire and challenge all ages to see math in new and unexpected ways.

Spectrum News Severe Weather Saturday

Saturday, May 4 • 11 am-4 pm

Create weather-related crafts, get blown away in our hurricane simulator (\$2 additional), and learn about severe weather safety from Spectrum News TV Meteorologists!

SPECTRUM NEWS

Science Café

The Barn at Reynolda Village

Tuesday, May 7 • 7-8 pm

How Many Ways Can You Confuse People? Presenting Scientific Information to Individuals with a Limited Science Background

Joanne C. Sandberg, PhD, will discuss the art and science of science communication in the context of research projects designed to communicate complex scientific knowledge to individuals who have very limited knowledge about science. The Barn, 106 Reynolda Village, Winston-Salem 27106.

Homeschool Day

Tuesday, May 7 • 1 and 2 pm

Home-educated students and small groups in grades K-5 will learn "All About Animals" at 1 pm. Students in grades 6-12 will learn about animals and participate in "Zoo Crew" activities at 2 pm. Pre-registration is required to receive group admission rate. Register at north.kaleideum.org.

\$3 Thursday

Thursday, May 16 • 3-8 pm

Kaleideum is open until 8 pm, and, beginning at 3 pm, admission is only \$3 (+tax) per person. (Free for Kaleideum Members.)

Birding 101

Saturday, May 18 • 10 am-Noon

If you recognize cardinals and blue jays, but can't tell a black-capped chickadee from a white-breasted nuthatch, here's the class for you! Discover what makes a bird a bird, learn to identify a variety of local birds by sight and sound, and snap a personal photo with Huey, our blue-and-gold macaw! Bring binoculars if you have them. Every individual registrant or family group will receive a copy of *NC Birds: A Pocket Guide*. Recommended for ages 8 and above. Members: \$10; Non-members: \$12.

Register no later than May 17 at north.kaleideum.org.

PIPP Squeaks Preschool Science: Kaleidoscope of Colors

Tuesday, May 21 • 10-11:30 am

Colors are all around us, but how much do we really know about the colors we can see? Investigate the vibrant world of light as we learn more about how our eyes help us detect color. We'll make our own rainbow creations and even experiment with things that glow in the dark! For children ages 2-4 with an adult caregiver. Members: \$8 per adult/child pair; non-members: \$10 per adult/child pair (includes Museum admission).

Register at north.kaleideum.org.

Lunar Kick-off

Saturday, May 25 • 11 am-2 pm

Celebrate the beginning of our *Moonstruck Summer* with special moon-themed demonstrations and activities.

Curiosity Cart: Sizing up the Moon

Monday, May 27 • 11:30 am and 2 pm

Do you know whether the Earth is bigger than the Moon? Which planet is the largest of them all? Let's find out!
