YEAR-ROUND PERFORMANCES

NIGHT AND DAY

Kindergarten, 1st, and 2nd grades

Two very different insects wake up each morning to find their homes altered. Now it's time to solve the mystery of why their habitats keep changing, leading them to explore places and times they've never seen before. In this puppet show, watch as the environment changes and discover what happens to our world when homes overlap.

GROW (AVAILABLE JANUARY 1ST)

PreK, Kindergarten and 1st grades

A seed becomes a sprout, a sprout becomes a sapling, a sapling becomes a tree, and one day that tree drops a seed. An egg becomes a tadpole, a tadpole becomes a frog, and one day that frog lays an egg. Come create the habitat for a newly born organism, and observe as it grows, changes, and transforms in this puppet show about nature's greatest adventure.
