April 2019

Engineer It! Exhibit

Explore the *Design-Test-Build* cycle through hands-on experiments. Discover DaVinci's interlocking bridge, experiment with the Marble Run Station, build with Giant Blue Blocks, and more!

Movie and Conversation

a/perture cinema

Tuesday, April 2 • 7 pm

Screening of the documentary *The Land* (22 min) followed by a community conversation. Tickets at aperturecinema.com.

a/perture cinema, 311 W 4th St, Winston-Salem, NC 27101

Girl Scout Camp-in

Friday, April 5-Saturday, April 6 • 5:45 pm-9 am

Information at kaleideum.org.

NAEYC Week of the Young Child

Monday, April 8-Friday, April 12

Participate in fun-filled creative play to celebrate our youngest learners!

Edible Fruit Insects

Tuesday, April 9 • 2-3 pm

Create cute, edible insects from fruit.

Fish Painting

Thursday, April 11 • 2-4 pm

Learn about local fish species and "Gyotaku," the ancient Japanese art of using fish to

paint! Make your own fish creation to take home and display.

Family Animal Encounter

Friday, April 12 • 11:30 am

In this special family-themed animal encounter, you'll learn about a species that cares for its young.

Public Star Observation

Friday, April 12 • 8-10:30 pm

Forsyth Astronomical Society will be hosting a public star observation in the front parking lot of Kaleideum North as a part of the North Carolina Statewide Star Party! Learn about astronomy and look at the stars with the provided telescopes.

Statewide Star Party: The Moon and Beyond

Kaleideum North • 1-5 pm and Pilot Mountain State Park • 7:30-10 pm
Saturday, April 13

Celebrate the NC Science Festival's 7th annual Statewide Star Party with Kaleideum Planetarium educators and Forsyth Astronomical Society! Begin your celebration at Kaleideum North with a Planetarium show, hands-on demos, storytelling, and art-making inspired by the stars. Later, head to the summit of Pilot Mountain State Park for a FREE astronomy observation. Telescopes provided. (In case of bad weather, Pilot Mountain viewing may be canceled, but afternoon events are "rain or shine.")

Insect Exploration

Monday, April 15 • 2 pm

We'll talk about insects, learn about their lifecycles, and perhaps even encounter a few live ones!

Spring Break Camps

Monday, April 15-Thursday, April 18 • 9 am-4 pm

In town for Spring Break? Give the kids some science fun! Per day: \$40/Member; \$45/Non-member. Optional before-care (8-9 am) and after-care (4-5:30 pm) \$5/child/session. Camp descriptions and registration available at kaleideum.org.

Curiosity Cart: Exploring Water

Tuesday, April 16 • 11:30 am and 2 pm

We love to spark curiosity and wonder each day. Catch us throughout the Museum with our special cart to learn more about the importance of water and experience a fun science experiment!

Catapult Making: Easter Edition

Wednesday, April 17 • 2-4 pm

Do you know what makes a catapult work? What kinds of things can you send flying into the air? Find your inner engineer and make a catapult of your very own—with an Easter twist!

\$3 Thursday

Thursday, April 18 • 3-8 pm

Kaleideum is open until 8 pm, and, beginning at 3 pm, admission is only \$3 (+tax) per person (and free for Kaleideum Members).

PIPP Squeaks Preschool Science: *Busy Little Bees*

Tuesday, April 23 • 10-11:30 am

Discover how pollinators help our environment, create springtime crafts, and see flowers through the eyes of a bee! For ages 2-4 with an adult caregiver. Members: \$8 per adult/child pair; Non-members: \$10 per adult/child pair (includes Museum admission). Register at kaleideum.org.

Earth Day Celebration

Tuesday, April 23 • 2 pm

Celebrate our home planet, Earth! We'll talk about what Earth Day is and why it's crucial to recognize the importance of being environmentally friendly, all while doing some fun activities!

Astronomy Day

Friday, April 26 • 10 am-1 pm

It's a day of astronomical fun as we explore the solar system through activities, crafts, and planetarium programs. Learn about space, from the planets of our solar system to orbiting objects and galaxies!

Homeschool/Small Group Day

Friday, April 26 • 10 am-1 pm

Home-educated students in grades K-6 will participate in the museum's Astronomy Day activities. Pre-registration required at kaleideum.org to receive group admission rates.

Saturday Planetarium Schedule

11 am—Young Astronomers

Noon—Live Sky Tour

1 pm—Star Songs (available only on select Saturdays)

2 pm—Stars & Lasers

3 pm—Space: Live!

4 pm—Musical Laser Show

For show descriptions and astronomy resources, visit

north.kaleideum.org/visit/exhibits/planetarium/.

Upcoming Events

Severe Weather Saturday with Spectrum News

Saturday, May 4

Create weather-related crafts, get blown away in our hurricane simulator (\$2 additional), and learn about severe weather safety from Spectrum News TV Meteorologists!

**SPECTRUM
NEWS**

Geometric Bubble Event

Saturday, May 4 • 10am-1 pm

It's the National Math Festival! Experience math in a hands-on, playful way by dipping three-dimensional geometrically-designed bubble wand structures into soap solution. Can you predict what will happen? The geometric forms may not be what you expect!
