August 2019

Kaleideum North

Animal Encounters

Monday-Saturday, 11:30 am

Meet and learn about a Kaleideum North animal!

Curiosity Cart: Moonstruck

Tuesday, August 13, 11 am and 2 pm

Here at Kaleideum, we love to spark curiosity and wonder every day. This summer marks the 50th Anniversary of the Apollo 11 Lunar Landing! What will you learn about the Moon while visiting our cart?

Elementary Book Club:

I Love You, Michael Collins

Sunday, August 18, 3 pm

The perfect book for our Moonstruck Summer! Join author Lauren Baratz-Logsted (via Skype) and Bookmarks for an entertaining and enlightening discussion of this heartwarming story about family and being true to yourself. Purchase your copy ahead of time at Bookmarks for 20 percent off. Book description at laurenbaratzlogsted.com/kids. Book club is free, but admission fees apply to visit the Museum.

Galaxy Slime Making

Monday, August 19, 10 am-1 pm

Making slime is always fun, but galaxy slime is out of this world!

Laser Shows and Demos

Thursday, August 15, 3-8 pm

We're doing special laser shows and demos in the Planetarium for \$3 Thursday!

Live Science at Kaleideum North

Wednesdays, August 7, 14, 21,
and 28, 1:30 pm

Saturdays, August 3, 10, 17, 24,
and 31, 1:30 pm

Be blown away by larger-than-life science experiences. Explore physics, chemistry, biology, weather, and more science topics live! Every Wednesday and Saturday at 1:30 pm.

Moon Dance

Friday August 2, 11 am and 12:30 pm

Edge Performing Arts is proud to present *Moon Dance*, an interactive dance experience for the whole family! Watch dancers portray the beauty of moon flowers and the whimsy of Luna Moths and then join in the fun! Participants will have the opportunity to learn a few basic dance movements and then help create a dance to the iconic song, "Blue Moon," as we celebrate the majesty of the Moon!

Moon Songs

Fridays, August 2, 9, 16, 23, 30, 1 pm

The Moon is our closest celestial neighbor. Its craters and changing shape have inspired storytelling, art, and music throughout history. Join Kaleideum Teaching Artists for musical storytelling about our one and only Moon.

Moonstruck Animal Encounter

Thursday, August 8, 11:30 am

Tuesday, August 27, 11:30 am

Meet one of the Kaleideum North animals up close with a Moonstruck Summer twist!

Moonstruck Laser Shows

Sundays, August 4, 11, 18, 25, 3 pm

Out-of-this-world laser shows in the Planetarium!

Peppercorn Theatre Songs and Stories

Tuesday, August 6, 10 am

Tuesday, August 20, 10 am

Teaching artists share songs, stories, and activities designed for babies, toddlers, and their caregivers. Live music, hands-on props, and puppets are all part of this activity! This summer, we are celebrating the 50th Anniversary of the Lunar Landing with songs and stories about the Moon, the stars, and adventures in space!

Sensory Friendly Night:

Moonstruck

Friday, August 16, 5:30-8:30 pm

Children with autism spectrum disorder (ASD) and sensory processing differences are invited to have an enjoyable and interactive learning experience in a comfortable, accepting environment! Experiment with hands-on Moon activities, explore the exhibits, enjoy a Moon-themed storytime, and even make your own Moon to take home! Wear your favorite "out of-this-world" outfit to help us celebrate the 50th Anniversary of the Moon landing. Admission is \$3 per person for members and non-members. Learn more at downtown.kaleideum.org/visit/accessibility.

Science Storytime in the Little Theatre

Saturday, August 3, 11 am

Friday, August 9, 10:30 am

Friday, August 16, 10:30 am

Friday, August 23, 10:30 am

Friday, August 30, 10:30 am

Each week we will explore a different and exciting science topic!
